Lifelong learning, striving for excellence

Friday 10th October 2008

Dear Parents/Carers,

As part of our travel Action Plan we are striving for ways to reduce congestion outside our school and ensure our children are safe when arriving and leaving the school grounds. This week, I was pleased to receive a suggestion from a parent about the prospect of a 'drop off' zone outside the school gates. We have had concerns about children crossing the busy road when dropped off by a parent.

To enable us to consider the prospect of a 'drop off' zone we would like to survey parents to find out how many of you would find this useful. The proposal is to use the space in between the main school gates and the staff car park gate as a drop off point. Parents/carers who do not wish to come into the playground with their child may pull up in their car, drop off their child and watch them go into the school grounds. Two members of staff are on duty in the playground from 8.45am and will greet those children who are dropped off. This zone would then become a no parking zone and would be used for drop offs only.

Please complete the slip below to express your views. We look forward to receiving your response.

Yours sincerely,

Miss F. Bertham
Head Teacher

(Please tick all that apply)

- I would support the proposal of a 'drop off zone' outside of Olveston School
- I would not support the proposal of a 'drop off zone' outside of Olveston School.
- I would use the 'drop off zone'
- I would not use the 'drop off zone'
