Re: Drop Off Zone

Dear Parents/Carers,

Last year a survey was carried out to ask parents if they felt a drop off zone would be useful to ease congestion each morning. There was an overwhelming positive response and the drop off zone has been working well.

Please can I remind you all that, for this system to work effectively, all parents/carers must support the drop off zone. It has been reported that some parents/carers have been parking in this area, thus resulting in frustrations for others.

Thank you for your support in this matter.

Kind regards,

Miss F. Bertham
