

Minutes of Eco warriors meeting
Thursday 7th May 2009

Present - Y1 Jasmine and Tom, Y2 Henry and Isobel, Y3 Sarah and George
Y4 Charlie and Lucy
Y5 Abby and Harriet, Y6 Jack and Jessica, Mrs Luke
Minutes taken by Sarah

Tuesday Assemblies – Eco Warriors want to talk to the whole school to remind them about all the different things that the Eco Warriors are doing. The Tuesday after SATS they will talk to the school about the use of electricity in the school and Mr Titterton will give them the latest electricity meter reading. We have to be better at turning off lights so we will use monitors again to make sure classroom lights are turned off when not in use. All eco monitors agreed to do this job except in Y5
- Abby will find someone in year 5 to help her as Harriet wants to look after the Eco board.

Invitations – Jo from Touchwood has not written back about joining us at one of our meetings. Mrs Luke said that he is probably very busy. We thought it would be nice to invite Mr Anderson to our final meeting of the year (Thursday 2nd July 10.10) to talk about ways of improving our section on the web site.

Litter – Jasmine said that she has noticed a lot of banana skins thrown down on the astro turf. Mrs Luke said that 2 children that have been checking the school grounds for litter every Friday afternoon have noticed litter around this area so there might be a need for a bin in this area. We will continue to monitor this.

Areas of responsibility for terms 5 and 6 are:

- Eco board – Harriet
 - Litter monitoring – Henry and Isobel
 - Computer suite – Jack and Jasmine
- Habitats – Sarah, Tom, Charlie and Lucy.

Mrs Luke said that she will talk to the teachers to see if they will give the Eco Warriors regular time to feedback to their classes about eco issues.

Competition – We want to hold a competition for the whole school – we thought that ‘design a bin’ would be a good idea. We need to think of a prize. Mrs Luke will get back to us about that and we will tell our classes tomorrow.

AOB – none.
