Lifelong learning, striving for excellence

Thursday 16th September 2010

Dear Parents/Carers,

Many of you may have heard about the wonderful work of FOOS (Friends Of Olveston School). Over the years, thousands of pounds have been raised to enable the children to benefit from additional resources such as:

- Reception class climbing wall
- Books and story sacks for the school library
- Stage, sound system and projector for The Wike Hall
- Water bottles for sports day
- New Netball posts & Sports Day equipment
- Subsidised school trips... and much more!

It is with sadness that I write to inform you that FOOS cannot continue unless we find some much needed additional support. We are very fortunate to have such supportive parents and members of the community at this school and we are looking for some much needed support to enable FOOS to continue.

Unfortunately, we are also looking for a new Chairperson to take over from the AGM in September onwards. Anyone able to consider this role should make themselves known to the current Chairperson, Marie King, as soon as possible.

An AGM will be held on Tuesday 5th October at 7.30pm in the school library. This will be an opportunity to hear about the work of FOOS and enjoy a drink and some nibbles. Any help however big or small is really appreciated and will ensure that FOOS is able to continue raising valuable funds for our children.

We are currently looking at providing an outdoor learning facility and some much needed equipment for each classroom – we need your help!

We look forward to seeing you there.

Kind regards,

Miss F. Bertham
Head Teacher
