

The Christmas pudding

1. The Christmas pudding was first called 'hackin' because of its lots of ingredients.
2. The Christmas pudding was first made of poultry, pheasant, partridge and rabbit.
3. The 13 ingredients of the Christmas pudding mean Jesus and his disciples and setting the brandy on the pudding on fire represents God's passion.
4. We used to put a coin in the pudding because it was supposed to bring good luck to the person who found it.
