SPECIAL ASSEMBLY FOR READING CHALLENGE MEDALLISTS!

Dear Parents/Carers,

As you may know, the South Gloucestershire local library service organises a Summer Reading Challenge to encourage children to read 6 books over the summer break to keep up their reading skills. The theme of this year's challenge is 'Spacehop'.

To register, you and your child can go to any South Gloucestershire library from July 17th. Children take a couple of books out at a time and are offered incentives such as stickers, mini prizes, medals etc. as they go along.

On Friday 10th September, Olveston School will be holding a special assembly to congratulate the children who have completed the task. Please make sure that your child brings in the medal on this day so that they can be officially awarded it! (a reminder will be issued in September). Parents are more than welcome to join us for this assembly starting at 10.10 a.m.

All the medallists' names will also be put into a hat and the child whose name is pulled out of the hat will receive a set of books. Finally, any children who would like to say a few words about the books that they read would be more than welcome to.

It would be great if as many of our children as possible can take part in the challenge!

With kind regards

Miss F Bertham
