Lifelong learning, striving for excellence

Wednesday 11th June 2008

Dear Parents/Carers,

On Friday 11th July and Monday 14th July, we are looking forward to hosting an exciting visit from the Life Education Centre Bus. The Life Education Programme is taught in primary schools across South Gloucestershire, North Somerset and Bristol, using a high tech mobile classroom. Last year 12,000 children visited Life Education's mobile classroom. Qualified educators deliver age appropriate sessions covering all aspects of health including healthy eating, exercise, alcohol, smoking and bullying. The teaching sessions are tailored for each age group, from Reception to Year 6. This supports our school programme and PSHE (Personal, Social & Health Education)

The learning programmes are designed to:

- Teach children about how wonderful their body is and how to look after it.
- Raise their self-esteem.
- Teach them about how to overcome peer pressure.
- Educate them about safe use of medicine.
- Explore the effects and risks of smoking, alcohol and drug abuse.

To enable us to host this exciting opportunity, we are asking for a contribution of £3.00 per child towards the cost. Please complete and return the permission slip below by Friday 20th June 2008.

Yours sincerely,

Miss F. Bertham
Head Teacher
