

I think it would be good to visit different schools.

To all Families of Olveston CEVC Primary School

Let's make our outstanding school more special than it already is!

We are inviting you to help us plan for the next 5 years.

Your ideas and opinions will be much appreciated as we decide on the best way forward for our school and community.

With your children at the heart of everything we do, you are the perfect people to contribute to this exciting process.

On this side of the sheet are some words and phrases to start you thinking.

On the other side are empty bubbles for *you and your children* to fill in.

Let your imaginations run wild!

I would love my mum and dad to come into school more.
