*Lifelong learning, striving for excellence*

Tuesday 22<sup>nd</sup> April 2008

Dear Parents/Carers,

On Saturday 10<sup>th</sup> May, from 10am we will be hoping to add a splash of colour to our Reception outdoor play area. We would like to invite you to join us in this event, along with your children. Children of pre-school age or children who are at secondary school are also welcome to come along and join in the fun!

We are planning to paint our Reception play area fence using bright colours. We are also hoping to re-building the wooden play house that was dismantled when the new hall was built. A new, large metal shed has also been purchased to store our bikes and trikes. If you think you would be able to help us build this, please do come along. We will be serving tea, coffee and cakes throughout the morning!

As I am sure you have seen, the play area is undergoing some work at present. This is to install large, brightly coloured shade sails to protect the children from the sun. This will be much needed during the summer months and will allow the children to take part in much more learning outside.

These exciting developments will all add to making the learning environment a fun place to be. If you are able to help us on Saturday 10<sup>th</sup> May, please complete and return the slip below. I look forward to working with you.

Yours sincerely,

Miss F. Bertham  
Head Teacher
