Lifelong learning, striving for excellence

Thursday 3rd March 2011

Dear Parents/Carers,

Following our recent Ofsted Inspection judgment of outstanding, I am pleased to share with you the outcome of our SIAS (Statutory Inspection of Anglican Schools) result with you. Once an Ofsted inspection has taken place, a SIAS inspection is carried out for all Church of England schools. The inspector spent a day with us on Tuesday 8th February and observed assembly, met with children, parents, governors and the leadership team, observed Religious Education lessons and looked at children's work.

The three main areas of focus were:

- The distinctiveness and effectiveness of Olveston Primary School as a Church of England school in meeting the needs of all learners.
- The impact of collective worship on the school community.
- The effectiveness of the leadership and management of the school as a church school.

I am thrilled to share with you that we achieved the top grade of outstanding in all areas. This report is a joy to read and highlights the exciting learning opportunities provided for all our children, along with the nurturing and supportive ethos within our school community.

The children are a credit to our school and their families. I am privileged to work with such a dedicated team of parents, staff and governors who have all played a part in making our school outstanding.

Thank you for your continued support.

Kind regards,

Miss F. Bertham
Head Teacher
