Lifelong learning, striving for excellence

Tuesday 12th February 2008

Dear Parents/Carers,

In term 4 we are looking forward to working with Avon Wildlife to construct a large willow structure on the school field. This will be a fantastic place for the children to learn outdoors and create some much needed shade during the summer.

Naomi Silverton from Avon Wildlife is keen to gather the children's ideas and incorporate these into the willow structure. The school council has been asked to visit a local school where a large willow structure of domes and tunnels has been created.

On Thursday 28th February at 1pm, the school councilors are being offered the opportunity to visit Speedwell Nursery School to sketch and take photos/film of the school's willow structures. They will then present this information in assembly, the following day. There is no cost for this visit as Avon Wildlife will be providing and funding the minibus. I will also be attending this visit with the children. The minibus will return to school before 3.30pm.

The school council members are doing a fantastic job in representing their year group's views. If you are happy for your child to attend this visit, please complete and return the consent form below.

Yours sincerely,

Miss F. Bertham
Acting Head Teacher

I give permission for my child _____ to attend the school council visit to Speedwell Nursery School on Thursday 28th February 2008.

Signed: _____ (Parent/Carer) Date: _____
