Lifelong learning, striving for excellence

Friday 10th October 2008

Dear Parents/Carers,

We would like to make you aware of an incident that has happened in Vicarage Lane Park. The local police always work closely with the school and we feel this incident should be shared with members of our school community to ensure our children are safe when using this play area.

Last week, the local police discovered that broken glass had been placed in the hand grips of the climbing frame and in the chains of the swings. We would advise that parents/carers take extra care when using the park and check for broken glass before children begin using the equipment. The police are carrying out extra patrols in this area and would welcome any information anyone may have about this incident.

We do not want to alarm parents/carers with this information, but feel awareness of it will help to ensure all children are kept safe.

Thank you for your continued support.

Kind regards,

Miss F. Bertham
Head Teacher
