

Outdoor Learning Safari Day Reminder

Dear Parents/Carers

We are very much looking forward to our Safari Day on **Monday June 13th, 2011, at Woodwell Meadows, Littleton.** The day will be packed full of exciting, hands on learning opportunities, and will take place, whatever the weather!

We are hoping to match the success of last year's Outdoor Learning Day, at Woodhouse Down, by incorporating the use of the Woodwell Meadows Learning Journal within the activities. The Journals are the proud product of work by our Eco-Warriors and Ruth Coleman, the lead co-ordinator on the Woodwell Meadows Education Pack.

We are requesting that the children are dropped off in their **House Groups**, to minimise traffic congestion. (Please note that the roads are very narrow in places). We have attached a map of the route to the site, and have suggested a one way route to avoid complications.

The drop off and collection times are as follows:

	Drop Off Time	Collection Time
Beech :	8:40am	3:00pm
Oak:	8:50am	3:10pm
Ash:	9:00am	3:20pm
Maple:	9:10am	3:30pm

(If at all possible please arrange to car share to reduce traffic volume further)

Further details of the day and a list of resources your child will need, will be sent out during the week prior to our visit.

Finally, if you would like to join us for the whole day, or for part of the day, we would gratefully welcome adult support. Part of the success of last year's day was due to the amount of adults who so kindly gave up their time. Please sign up at the Office if you are able to help.

Here's looking forward to a unique learning experience, and hopefully a dry one!

Kind regards,

Maria Vizard and the WWM Planning Team
