Yellow Woods Challenge 2008/9

Dear Parent/Guardian

We're taking part in the Yellow Woods Challenge...

... the environmental competition run by Yellow Pages, working with the Woodland Trust and our local council.

The aim is to recycle the highest number of old Yellow Pages directories per pupil and win cash prizes for our school. And for every pound Yellow Pages awards to schools, they give a matching pound to the Woodland Trust.

When your new Yellow Pages directory is delivered, please help our school and the environment by recycling your old one. **NB: local, OLD copies of Yellow Pages directories only, please.***

Collecting old Yellow Pages directories

Children should only collect old directories from home and from people they know, with your permission. They must not be allowed to collect from people you do not know.

Recycling at school

Pupils should only carry one old Yellow Pages directory to school at a time. Smaller children/those under 7 years should be helped by an adult. Please do not add the directory to your child's shoulder bag but carry it separately.

Please ask your family, friends, workmates and community groups to help our school by donating their old directories, too.

If you have any questions about the competition and our involvement, please ask at the school.

For detailed information about the Yellow Woods Challenge, take a look at the Parents' Pages on **www.yellow-woods.co.uk** or write to: Public Relations, Yell, Queens Walk, Oxford Road, Reading, RG1 7PT.

Thanks for your support.

Miss F. Bertham Head Teacher

*New or non-Yellow Pages directories will not be accepted.
