

Year 3 Homework  
I need a hero!

Date set: Friday 27<sup>th</sup> November  
Date due: Friday 4<sup>th</sup> December

So far in literacy this term we have been studying different Greek myths. For homework you researched a Greek mythical creature and in class we created our own monsters! Now we need a hero!

Any good Greek myth has a hero so we need to complete the 'Hero ID profile' to create a new hero that can be used in our own Greek myth. You will need to name your hero and think about what special powers he has. You may draw a picture of him in the top box. In the 'character' section you will need to think of adjectives to describe what your hero is like. The 'Most famous act' box is for you to think about an amazing act which he has already done (e.g rescued a princess). Your hero may have some weaknesses such as a he gets lost easily and I also want you to consider what people think of your hero.

If you have any problems then don't forget to come and ask me about it before the deadline. Thank you so far for your amazing effort with homework. It has been a difficult task picking winners for prizes!
