

Year 3 Homework

Date set: Friday 25th September

Date due: Tuesday 29th September

Big Cats! In literacy this term we have been learning about report writing. The children have been put into research groups to write a report on their own big cat. We have been using the library and ICT suite to gather information but it would really benefit the children if they had more time to collect some facts at home. Next week in literacy lessons, we will be collating the information on to their own report poster. The children can either choose to copy any facts they have found on to paper, or print off information and highlight the facts they would like to use. Their fact finding efforts so far have been great and I can't wait to help them develop their reports next week!
