

Homework set: Friday 8<sup>th</sup> January

Homework due: Friday 22<sup>nd</sup> January

This term we have been busy looking into Medieval Life and so far have focused on Medieval Castles. For homework, I would like the children to research either a local or famous castle of their choice. Their project will need to contain a picture or drawing of the castle, a history of who built it and who lived there and any other interesting facts they can find out. I don't mind how the children wish to present their work but I am discouraging them from simply printing off information from the internet. Work in their own words is always best and a detailed sheet on A4/A3 will be plenty.

As always, prizes are available for the best pieces of work! Good luck!
