This week's homework is to write an acrostic poem about pirates. They need to use the letters in the word 'pirate' to become the start letter of each line of the poem. Please see below for an example. The lines of the poem need to describe what a pirate is like. The children can either handwrite their poem or present their work using ICT skills.

P owerful and strong, pirates ready for battle
I gnite the cannons and sharpen the swords
