Lifelong learning, striving for excellence

Tuesday 5th January 2010

Dear Parents/Carers,

Firstly, thank you for all of the support that you are giving your child at home with their learning. I have been really impressed by the standard of homework this year and it is clear that the children are well supported with this.

As you are aware, in Year 6 the children do SATs (Standardised Attainment Tests) in English and Maths in May. As of this year, Science SATs have been abolished, but the government are bringing out a new testing system for Science and it may well be that Olveston is chosen as a pilot school (we will not know whether or not we are a pilot school until much later in the year).

Last year we offered parents and children the opportunity to purchase revision guides for Maths, English and Science and these proved to be an invaluable resource for the children to 'dip' into on a regular basis. We are offering the same opportunity this year.

Please fill in the form below if you would like to purchase any or all of the revision guides for your child, and return to school by **Friday 15th January** (when the order will be sent). The prices below are a discounted rate which is offered to schools.

With very best wishes,

Mrs King

I wish to order the following books for my child, _____,
and enclose a cheque/cash for the following amount: _____.

Signed: _____

Date: _____

BOOK	PRICE
Maths – The Study Book	£2.50
