Remember to gain your reader's attention... what colours will you use? what fonts are good? Use persuasive language.

LOOKING FOR A NEW BODY?

WHY NOT CHOOSE THE REAL MCCOY - THE ONE AND ONLY HUMAN BODY

IT'S PLANET EARTH'S MOST ADVANCED LIVING MACHINE! It's built of the finest materials to a tried and tested design that's over two hundred thousand years old! With a bit of care and attention your human body will provide over EIGHTY YEARS of superb service!

During this time your top-of-the-range human body is designed to...

- ▶ Talk for ten years **YAK! YAK!**
- ▶ Eat for 3.5 years. **MUNCH!**
- ▶ Take MILLIONS of steps and cover 22,500 km (14,000 miles). (The body can walk 19,000 steps every day without its feet falling off.) **WALK!**

IT'S TRUE!
OLD MAN

FLEX! ▶ Bend and straighten its fingers 25 million times without needing new knuckles.

PUMP! ▶ Beat its heart blood-pump over 2.5 billion times non-stop at an average 73 beats a minute, 105,120 beats a day. (Every 24 hours the heart pumps 8 to 16,000 litres of blood and never goes pop!)

THINK! ▶ store ONE MILLION bits of data in its brain memory - everything from science facts to shopping lists, plus your friends' birthdays, 100,000 words, all the players in your favourite team - and it can recognize over 2,000 faces!

~ THE SMALL PRINT ~
 Remember, the body is designed to do these things over its lifetime. Body owners shouldn't expect their bodies to do them all non-stop!

available in: light brown, dark brown, pink, beige and yellow

The human body comes in two main body models - the MALE and the FEMALE, and both body models are available in a lovely choice of colours!

WOMAN
GIRL
BOY
MAN

THE HUMAN BODY - BET YOU CAN'T LIVE WITHOUT IT!

- Use the Internet and books to help you research some fascinating facts about your body.
- Design your own advert for the body. Write your facts using bullet points, like in the advert, and add your own illustrations.
