Year 6 Homework

Date set: Friday 6th November 2009

Date to be handed in: Friday 4th December 2009
(4 weeks)

The Decades

Your homework is to produce a project about a famous person from either the 1950s, 1960s, 1970s, 1980s or 1990s (this may be a singer, actor, artist, politician etc.) **who you are interested in.**

Your project needs to include:

- ✓ A timeline about their life;
- ✓ A written biography about the person;
- ✓ An example of what they do (films they are in, artwork they've done etc.);
- ✓ A piece of work done by you, in the style of them;
- ✓ An explanation as to why you have chosen that person, i.e. why you like their music/ acting/ art etc.

You can present your project in whichever form you want: a poster, a book, a PowerPoint presentation.

Remember that Homework is set in order to support and further your learning, and is something to take pride in. The expectation in Year 6 is that you will spend 1 $\frac{1}{2}$ hours a week on home work. 4 weeks = 6 hours work.
