*How do you make empanadas? – instructional writing*

**MD**

*Why do different countries have different times?*  
*Can I read a timetable to get to and around Chile?*  
*Can I use Excel to create and read graphs?*  
*What is the probability that I will roll a 6?*  
*Can I work out different percentages?*  
*Can I translate, reflect and rotate a shape?*  
*Can I find the missing angle?*

**PEPD**

*What is it like to be an aid worker?*  
*What agencies are there to help after a natural disaster?*  
*Can I portray a story using gymnastics?*  
*How can I play football like Zamorano?*  
*Can I find the solution to a challenge and a problem?*

**Year 6 Theme**  
**Shake, Rattle 'n' Roll**

**CD**

*Can I use appliqué to create Chilean animals?*  
*Can I use a range of media to create different images and sculptures?*  
*What instruments can be used to create different effects, such as an earthquake?*  
*How can I write down the music that I have created?*  
*Can I use my DT skills to make the best Chilean kite?*  
*Can I use music to tell a story about a natural disaster?*

**HSED**

*Would I rather live in Chile or England?*  
*Why and where in the world do Natural Disasters occur?*  
*How can we prevent the devastation caused by Natural Disasters?*  
*How are earthquakes measured?*  
*How does having a faith help in a natural disaster?*  
*What is the true nature of God?*  
*What does being a Roman Catholic mean?*

**ST**

- *What is needed to make a rescue torch?*
- *How can we check water is safe to drink?*
- *What's the quickest way to make a cup of sweet tea?*
- *What happens to the materials inside volcanoes?*
- *How can I stay safe on the internet?*
- *How can I use email to communicate?*
- *Can I make the best ever PowerPoint presentation?*
- *Can I use Excel to compare data about Chile and England?*
