

Belonging

Year 1

Autumn term 2024

WHERE DO I BELONG?

A GREAT START TO LIFE IN YEAR 1...

We started our year 1 journey by connecting with what is important. We thought about our place in our family, the communities we belong to and the importance of feeling loved and part of something special.

We have learnt lots through playing in Year 1. Threading, building, digging, pouring and constructing all help our motor control which all helps our writing. They also all help develop our imagination, team work, perseverance, problem solving, independence, mathematical skills and language skills. We have been especially grateful for our extended outside area which has given us so much more space for learning and being creative engineers and scientists.

We wrote postcards to our families, found out about addresses and put the address on our postcard, stuck on the stamp and walked to the post box to post our letters. We hope you enjoyed receiving them at home!

Where do I belong in my family?

What significant events have happened in my life so far?

What are the local surroundings like?

Some of the questions we answered this term...

Where do I live?

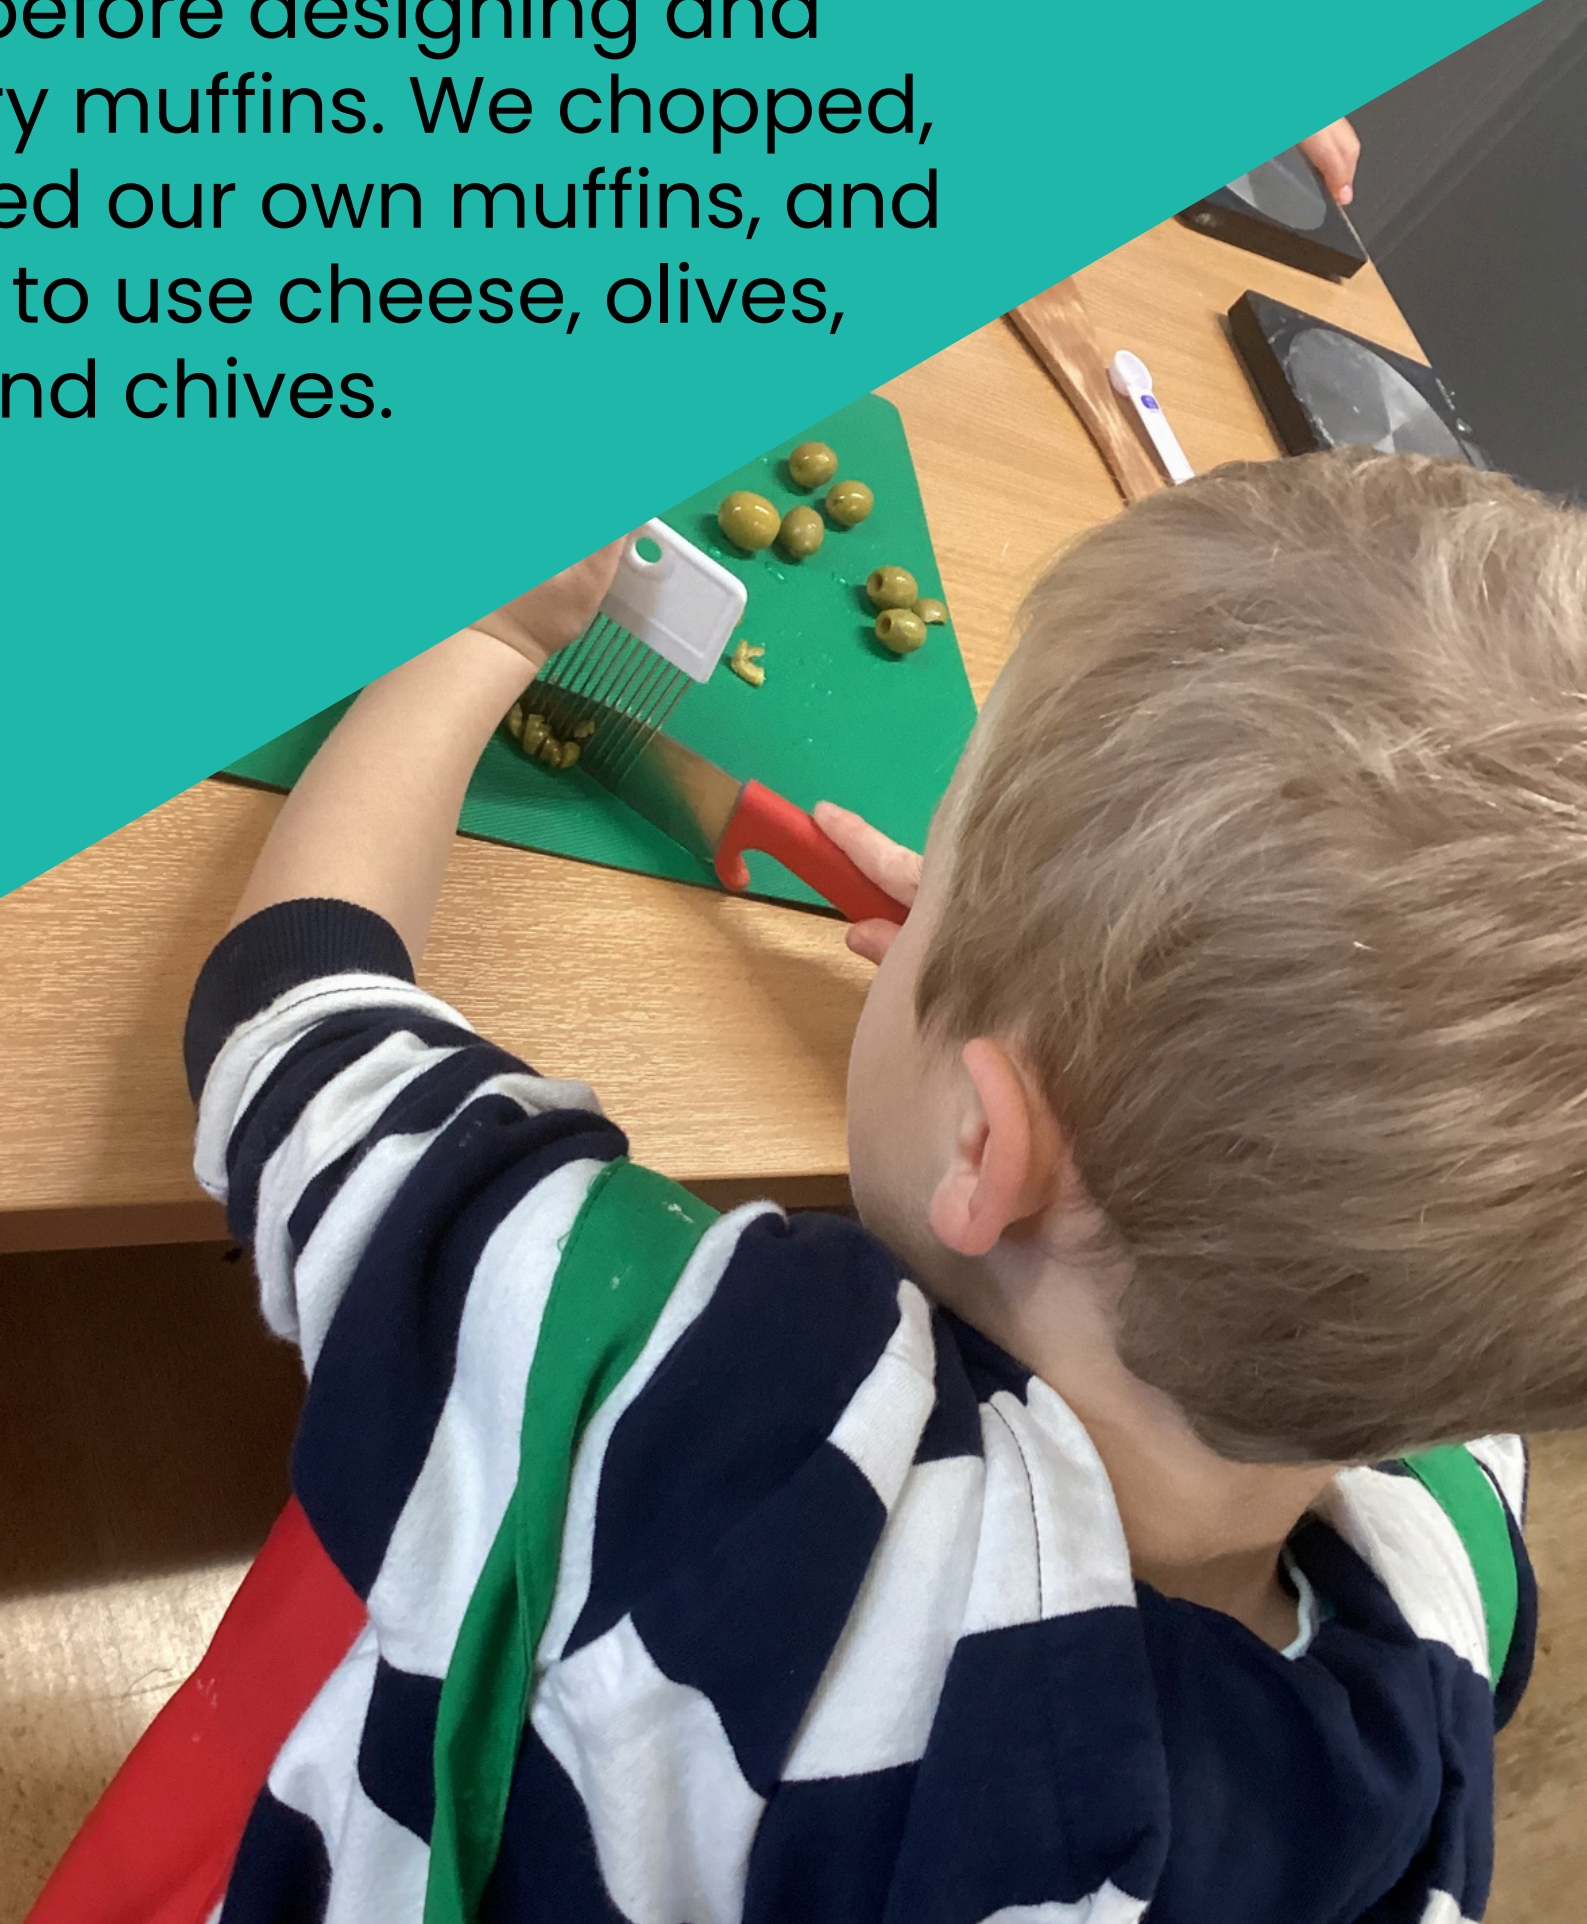

What does my home look like?

Where is my school and what does it look like?

What does Olveston village look like?

READY, STEADY.... COOK!

We've had a delicious time researching flavours for savoury muffins before designing and making our own savoury muffins. We chopped, stirred, poured and mixed our own muffins, and Year 1 children chose to use cheese, olives, spinach, and chives.

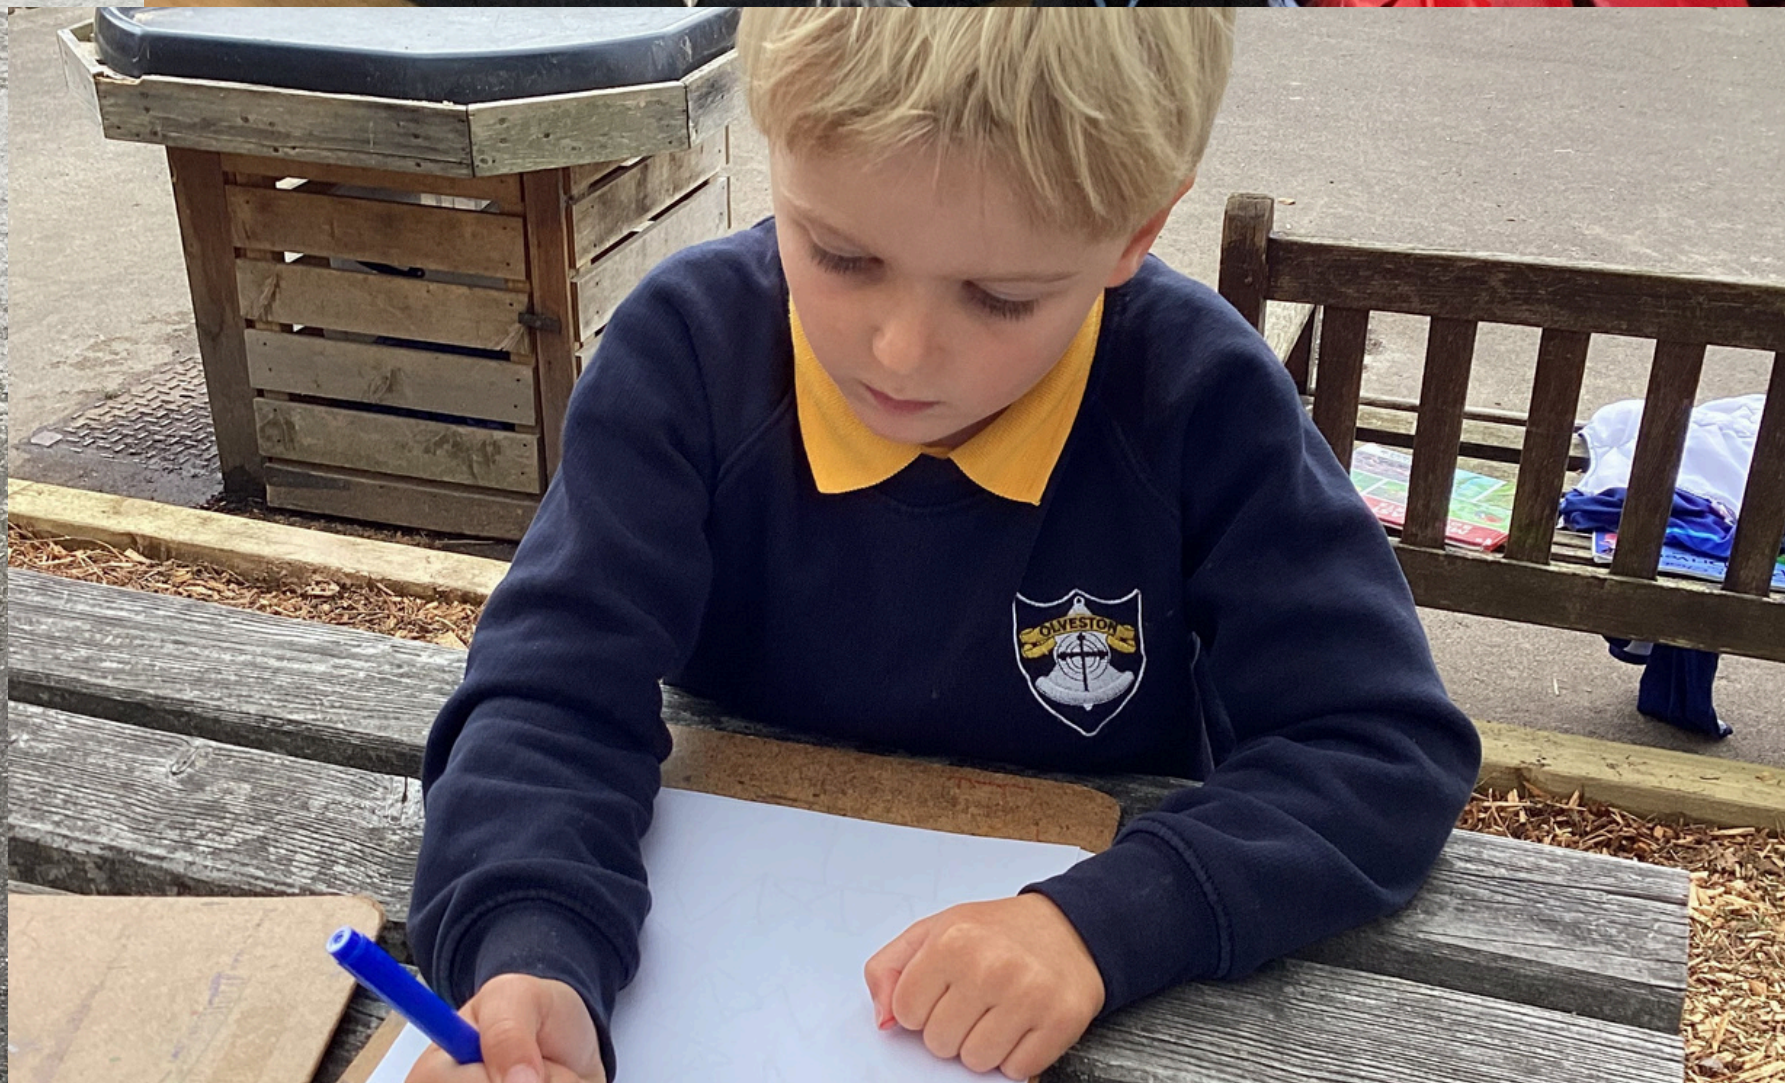

Bird Feeders

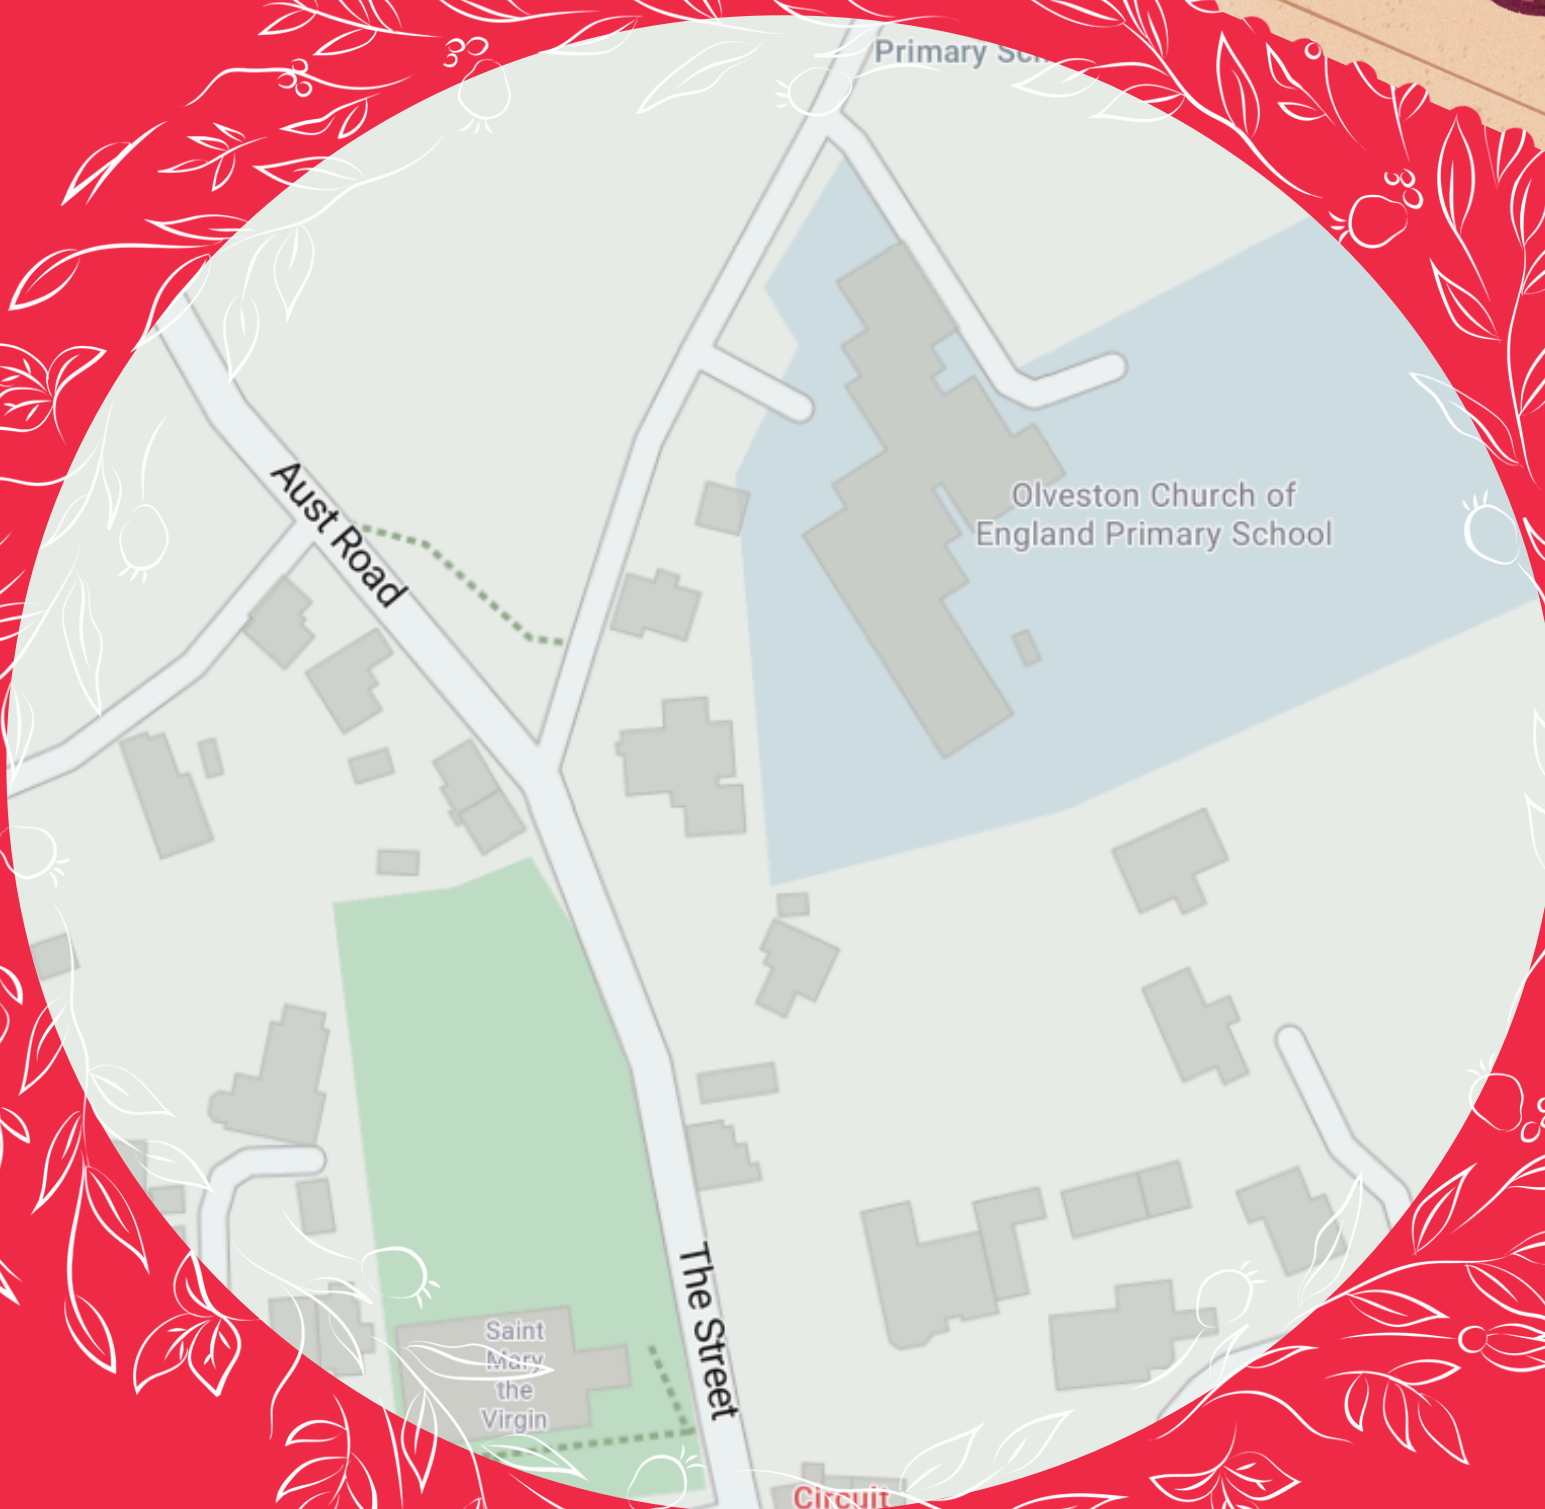

LEARNING THROUGH

PLAY!

PAINT, BUILD, DIG, SHARE, THREAD, POUR, SPLASH, SMILE

We wrote postcards to our families, drew the picture, found out about addresses and put the address on our postcard, stuck on the stamp and walked to the post box to post our letters. We hope you enjoyed receiving them at home!

10(ish) questions to ask your child...

Who is in your family? What relation are they to you?

What has happened in your life so far? How have you changed since you were a baby?

Where do you live?

What is your home like?

What is 8 take away 3? (any questions about taking away, starting with numbers up to 20 and taking away no more than 9)

What have you done to show courage?

Which number goes with 2 to make 10? (any questions about number bonds to 10!)

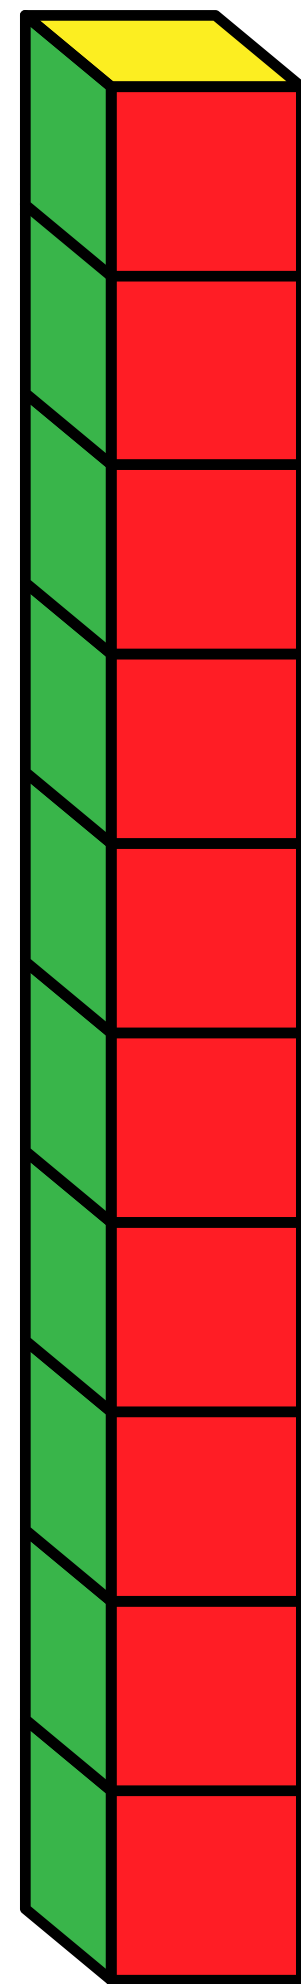

Did you know there are at least 3 ways to write the 'ai' sound?

How many ways can you think of to write the 'ai' / 'ee' / 'igh' / 'oa' / 'ue' sounds?
