School Lunch Price Increase from 1 September 2026

Dear Parents and Carers,

We are writing to inform you that, from 1 September 2026, the price of a school lunch will increase to £3.00 per meal.

As a school, we remain committed to providing children with high-quality, nutritious meals that support their health, wellbeing and learning. In recent years, the costs associated with producing school meals have continued to rise. To ensure that we can maintain the quality of our provision, we have taken the decision to increase the price of school lunches.

We are proud to continue our approach of providing meals that are as fresh as possible, using high-quality ingredients and produce. We also continue to source ingredients that meet Red Tractor standards, helping to ensure high levels of food safety, traceability and animal welfare.

Parents and carers will continue to order meals using Arbor, which remains our online system for ordering and managing school lunches. We encourage all families to ensure that their Arbor accounts are kept up to date ahead of the new academic year.

We appreciate your understanding and continued support as we work to provide healthy, enjoyable meals for all our pupils.

If you have any questions regarding school lunches, please contact the school office.

Yours sincerely,

Lee Dunn

Head Teacher
